## About the Book

Harrison believed he'd crafted the perfect diet: pizza for breakfast, lunch, and dinner.

But his cheesy dream begins to melt away when his mom, feeling desperate to change Harrison's mindset, signs him up for a cooking class.

Out of his comfort zone and into the kitchen of culinary diva extraordinaire Ms. Akilah, Harrison is challenged to open his mind to new experiences—stirring up a recipe for personal growth, one slice at a time.

With vibrant illustrations and a relatable storyline, *I Only Eat Pizza* encourages flexible thinking, curiosity, and meaningful conversations around food, emotions, and trying new things.

## Bring the Story to Your School!

Benita loves visiting classrooms for pizza-themed read-alouds, engaging discussions, arts & crafts, Q&A, and Brave Bite moments that encourage curiosity and confidence.

## Why Educators Love This Program

- High-energy, interactive read-aloud
- Built-in vocabulary discussion
- Flexible thinking & social-emotional learning focus
- Arts & crafts extension activity
- Engaging student Q&A
- Adaptable for classrooms, libraries, daycares, and community settings

## Special Option:

When schedules allow, Ms. Akilah—the real-life culinary inspiration behind the story—may also join select visits for a simple, kid-friendly cooking demonstration that connects literacy to real-world learning.

**Schools may inquire about author-only visits or visits that incorporate book purchases, depending on program needs.**

# I ONLY EAT PIZZA

## Meet the Author

Benita L. Gibson is a children's author, educator, and acting teacher with a deep passion for literacy, creativity, and student empowerment. A homeschooling mother of three and former singer, actress, and songwriter, Benita brings storytelling to life with heart, humor, and intention.

She is the founder of **Tattoon Kids®**, a growing children's brand that promotes positive affirmations, self-expression, and imaginative learning. Her work is especially supportive of reluctant readers and children with diverse learning needs, including sensory sensitivities.

## About the Series

**I Only Eat Pizza** is the first title in The **I Only...** Series, a growing collection of stories that explore everyday childhood challenges through humor, heart, and conversation.

Upcoming titles include:

**I Only Play Video Games**

**I Only Drink Juice**

...and more to come.

## Community & Hospital Visits

Benita is passionate about bringing literacy experiences to children in hospitals, healthcare settings, and community programs, including children navigating food anxiety, neophobia, ARFID, or sensory sensitivities.
